

BREATHE GOD'S WORD 2 Timothy 3 *Growing Faith Community* 11-8-15

What are you breathing?

Scripture says you become what you breathe. So why does Paul say this?

1. WHAT TIME IS IT?

*** In-Between Time - The Last Days**

~ Not from the "good old days"

~ From **the good day** God's new world begins w/ Jesus.

*** Some Terrible Times**

~ Is our world getting better or worse? Was Paul an alarmist or realist?

~ In this interval we should expect evil will test its limits.

~ Self-centered mis-directed love; family & community break down

How do we stand true under pressure?

2. BE AWARE TO PREPARE!

*** Remember Godly Christians**

~ God's Word taught & lived out with integrity

Thankful for OHC's 50 years

~ Stories of early hardships to inspire!

Challenge: Avoid deceptions w/ your 1st Love: Jesus & Word

*** Continue Breathing God's Word**

~ Breathe God's Word to be transformed in our behavior in Christ.

~ Breathe the Word to stand firm & teach others.

What does the future look like for us?
